## Part B

### CRITERION I – CURRICULAR ASPECTS

#### 1.1 – Curriculum Planning and Implementation

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

SSSVS Government PG College is affiliated to Mahatma Gandhi Kashi Vidyapith Varanasi. This institute offers a range of subject options to the students of different streams viz., humanities and science. The curriculum for UG and PG courses is designed and revised from time to time by the University during the meetings of Board of Studies of which many of our faculty members are part of. The institute has effectively implemented the curriculum with efficient planning. It follows academic calendar issued by UP Higher Education. At the beginning of the session, the institute has also prepared a proposed institutional activity calendar which is uploaded on its website along with academic calendar. The college timetable is also uploaded on the website for the convenience of the students. Five-Day Orientation programme was organized for the fresh students on the first day of the beginning of the session where they are sensitized about their academic schedule and different extension activities. All the departments also conduct the induction sessions and familiarize the students with the curriculum of their subject. Unitization of the syllabus and the strict adherence to it leads to commendable performance by the students. The teachers are encouraged to take initiatives and innovation in their teaching methodology. Effective curriculum delivery is also done through ICT. The institution provides the teaching staff with the necessary resources both in print and e-content form. The students have been involved in outreach activities like visiting the college library and preparing the study material in the computer centre, doing practical in furnished labs and conducting field projects. Various seminars, extension lectures and workshops are organized in the college by the various departments in order to provide a platform for interdisciplinary interaction among students and staff. Tutorials are held to engage students in meaningful discussions on moral, ethical, and social issues. Post-Graduate students are specially trained in handling the assignments, projects, data collection etc. to prepare them for the research work in the near future. Delivery analysis is done from time to time through classroom tests. Remedial classes are taken for the weak students to improve their academic score. The parents of the students are timely informed about their performances and progress through SMS so that they can also contribute significantly to improve their overall performance. Each department has created its own WhatsApp group to share study material, conduct online classes during holidays, to get them updated with the latest information regarding examinations and to interact with the students and clear their doubts. Subject wise result analysis is also done by the teachers and department in-charge.

#### 2.3.2 – Students mentoring system available in the institution? Give details. (maximum 500 words)

Formal mentoring system is yet to be implemented in all departments of the college. However, the faculty members maintain close rapport with the students (especially the students from the major course) and assist them in various aspects pertaining to their career and personal issues. The Academic tours and field work that are carried on in some of the departments is a good opportunity for the students and the faculty members for developing good personal bonds between them. It is good time for them to spend together during travelling. The close bonding between the teachers and the students also gets developed through a variety of co-curricular and extracurricular activities in different departments. This is how the faculty members get to know about their personal traits and also the opportunity to perform the role as their informal mentors. However, a few departments like Physics, Chemistry, Botany and Zoology have been implementing the formal mentoring practice, primarily for the major course students. To keep a track of performance students, the college conducts internal test. Apart from the test, practice assignments are also given to the students.

Number of students enrolled in the institution	Number of fulltime teachers	Mentor : Mentee Ratio

### 2.5.2 – Reforms initiated on Continuous Internal Evaluation(CIE) system at the institutional level (250 words)

Various weaknesses of students are identified by the internal evaluation and such reports helped students to perform well in the external examinations. Students are divided into groups as slow, moderate, and fast learners, and teaching was done according to the needs of the students individually based on the internal evaluation. Organization of quiz, assignments, student seminars was also made the part of internal evaluation of the students. In addition to the internal test, for continuous internal evaluation of the students, Practical Viva-Voce, assignments, and seminars are introduced. Students are encouraged to participate in Quiz contests, Poster competitions, debate and speech competition, and conferences for their knowledge enhancement. Remedial classes are conducted for the slow learners, long absentees and the students who participated in Sports, NSS, and Rover and Ranger activities, etc. Home assignments, seminars, general behaviour, and attendance are taken into consideration while awarding internal scores to the students.

### 2.5.3 – Academic calendar prepared and adhered for conduct of Examination and other related matters (250 words)

Every year, our college develops an Academic Calendar based as per the directives issued by the Directorate of Higher Education, Uttar Pradesh. The principal holds a meeting with the In-charges and Faculty members of all the departments at the start of each academic year, and guide and motivate them to strictly follow the Academic Calendar. At a regular interval of time, the meeting is held by the principal to check the progress of the Plans given in

the Academic Calendar. He also takes progress reports from the faculty members regarding the assignments, internal examination and practical and viva, co-curricular and extracurricular activities, celebration of important days, and invited talks by eminent teachers in various departments. Annual, Semester, Back/Improvement Examinations are conducted as per schedule of the affiliating University, KG Kashi Vidyapith, Varanasi. The college informs students about the university notices and circulars related to the examinations from time to time through student notice board, department WhatsApp groups, college website and also verbally by the faculty members of the department.

4.4.2 – Procedures and policies for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc. (maximum 500 words) (information to be available in institutional Website, provide link)

Our Government College believes in transparency in all its academic and administration activities. There is a Purchase Committee for the procurement of

instruments and to decide the service providers for Annual maintenance contracts. The procedure for both is to decide the priority needs at the Institute. Accordingly, quotations are invited, and the best service provider is chosen depending on rates and services. There is a strict policy to promote licensed vendors and equipment. The policy is also of inviting minimum three quotations. There is a policy to buy sophisticated instrument from Government approved suppliers only registered on PFMS portal. This institution takes the suggestions and complaints from the students and Faculty members. The committee classifies it on the basis of requirements and then it is forwarded to the head of the institution. The institution systematically utilizes the funds for the maintenance and proper utilization of its entire physical, academic, and support facilities. Various committees like Sports committee, Purchase committee, Campus beautification committee, Advisory committee, etc. are formed at the beginning of the session. The laboratory assistants of every science department maintain all the instruments and equipment records in the Stock register. Any new requirement of equipment is communicated by all the departments to the Purchase committee through the In-charges of the departments. The library has the latest facility for journals as well as newspapers and is also well equipped with a large number of books on every subject. New books are purchased every year as per the requirements given by different departments of the college. The library committee allocates funds for the purchase of the books as well as for other requirements like almirahs, furniture etc. It also ensures the proper utilization of the space in the library so that maximum students are able to use the library. Furniture of all the classrooms is timely repaired and purchased as per the requirement. All the classrooms, as well as the campus, are regularly cleaned to maintain a hygienic and healthy environment for the students. The whole campus of the college is covered by CCTV cameras for comprehensive security. All the computers of the College have an antivirus installed on them. The Sports Committee prepares the sports calendar in consultation with the Sports Council of the affiliated University. Students are given the best facilities of sports equipment, college ground, etc. for preparation for various Inter-College and Inter-University competitions. Students have the facility of indoor games like table tennis, chess, carom board, etc. Students also play outdoor games like badminton, football, hockey, cricket, volleyball, etc. in the college campus. The campus is maintained and beautified by the Campus beautification committee in consultation with the Advisory Committee regularly. Overall, a transparent system is adopted for utilization of the available facilities of the College.

5.3.2 – Activity of Student Council & representation of students on academic & administrative bodies/committees of the institution (maximum 500 words)

In our institution, every voice is given equal opportunity to be heard. Though our institution does not have Student Council, student representation is mandatory in various committees. Students are the central focus of the institution, their participation in its activities is undoubtedly essential. It also makes decision making decentralized, transparent, and further helps running the institution in democratic way. Students were made members of all of the college committees with respect to academic and administrative activities. Their suggestions and inputs are received and considered for conduct of all such activities. Students are given top priority to deliver their opinions during all college meetings, seminars, and functions. Such activities are recorded in minutes of the respective meetings, activity registers, etc.

#### 5.4 – Alumni Engagement

5.4.1 – Whether the institution has registered Alumni Association?

Yes

Our college is an institution of great repute which has been upholding the essence of the academic and cultural excellence of the region since 1997. Our college has Alumni Association that annually organizes an Alumni Meet. Alumni Association plays an important role. The occasional gatherings of the new and the old students provide a mutually beneficial environment for the betterment of the institution. It re-energizes the foundations of the institution which helps in ensuring the better future of the present generation. The Alumni Association of the college has been engaged in organizing various activities since its inception. It has been arranging meetings, organizing Lectures of luminaries, conducting awareness programmes and get together meets. During the Meet, the alumni interact with the students and teachers and share their experiences and memories regarding the college. They also share their success mantra with the students. The Alumni Association of the college has made tremendous contributions to the overall development of the college but there remains a lot to be achieved. With the trust and the support of the college authority and all its members, the Association would definitely develop to be the best Alumni Association in due course of time.

## CRITERION VI – GOVERNANCE, LEADERSHIP AND MANAGEMENT

### 6.1 – Institutional Vision and Leadership

6.1.1 – Mention two practices of decentralization and participative management during the last year (maximum 500 words)

Decentralization: The College functions with the collaborative efforts of the Head of the Institution and all other stakeholders like students, Faculty members, non-teaching staff, Alumni, parents, and local community representatives. The smooth running of the college is ensured by the formation of various committees. No administrative decisions are made by the principal without consultation with the committees. Bills passed for the expenditure of funds go through the office with proper channel. Repeated requests by students and teachers about the deteriorating condition of the classrooms in the Arts block were considered in the meeting of the college Advisory Committee. The College Building and Beautification committee was then asked to prepare an estimate of the work to be done. Quotations were invited for the task, and they were opened in the presence of the applicants and the two committees. Once the renovation was complete, a statement of the utilization of funds was called for and approved by the assigned committees and the principal. Participative practice: Committees that are crucial to student welfare have adequate student representation. Examples of such committees are: IQAC, Anti-ragging committee, Women's Cell, Grievance Redressal Committee, etc. All decisions made by these committees took into consideration, the opinions, suggestions, and complaints of the students. Student representatives were invited to all meetings of the IQAC. Most suggestions regarding repair of the washrooms, refurbishing of Girl's Common Room, repair of the shade of cycle stand and demand of new table and chair in the classroom came from the students, approved by the IQAC, and communicated to the concerned committees. Decisions pertaining to discipline were always taken, and students were asked to follow a uniform dress code to maintain the dignity of the college. Vision: To make the College a benchmark of quality education, applying innovative approaches of teaching and learning, empowering students to discover their full potential academically and socially. Our mission is to nurture intellectual excellence and social leadership amongst the educators and learners, to succeed in the increasingly competitive globalized world. The Institution has adopted the decentralization and participative management in the process of academic and administration. Government gives generous freedom and flexibility to the principal together with the academic council to lead all the academic activities of the college. They regularly meet and take necessary steps to formulate and implement the perspective plan of the institution. As part of quality improvement and quality initiative, the institution and its concerned IQAC, College Advisory Committee and other statutory Committees continuously work on quality improvement. In the beginning of academic year all Faculty members conduct a meeting and discuss the smooth functioning of the institution. Various committees are constituted, and responsibilities are assigned to them. The college has divided the decision-making power amongst the staff and the stakeholders, hence making it more participative in nature and bringing about considerable efficiency, transparency, accountability, and responsiveness in the college functioning. The IQAC along with Advisory, teaching staff and various committees and societies contribute significantly to carrying out all academic, co-curricular and extension activities.

6.1.2 – Does the institution have a Management Information System (MIS)?

Partial

### 6.2 – Strategy Development and Deployment

6.2.1 – Quality improvement strategies adopted by the institution for each of the following (with in 100 words each):

Strategy Type	Details
Admission of Students	<p>The College is affiliated to MG Kashi Vidyapith University. The admission of the students is strictly followed as per the rules of university. The college constitutes a committee for admission purposes. This committee gathered information of intermediate candidates in nearby villages as well as Junior Colleges. The committee explained to them about the college specialties and persuaded them to seek admission in the college. Eligible students apply online to get admission to the college. Counselling is done in the college category-wise. The students are invited for counseling according to their merit. They are given the subject group according to their interest and career orientation. The counseling letters are issued to the students and the facility of online fee payment was given for them for the hassle-free submission of the fee. The college strictly adheres to the State Government and UGC norms for students belonging to SC/ST, OBC and differently-abled categories. They are given fee relaxation, age relaxation and minimum marks relaxation at the admission level.</p>
Curriculum Development	<p>The Institute is affiliated to MG Kashi Vidyapith Varanasi and the faculty members serve on several Boards of Studies in the State University. They take an active role in curriculum development and solicit feedback from their peers before doing so. Industry recommendations are considered while determining employability.</p>
Teaching and Learning	<p>The teaching learning process is important to learners because it helps them to acquire new knowledge which shapes them into responsible individuals and makes them ready to face the world. Learning is the key to education, and it is the most important process of gaining education. The teaching learning process makes learners aware of their goals and helps them to accomplish the same. The teaching Faculty of the college regularly record their teaching dairies and teaching notes. They make use of ICT in teaching and learning through Computer/Internet assisted learning</p>

with the help of our digital classroom. The college also organizes student seminars to help the students learn the subject in peer group transaction of education. All the departments conduct departmental competitions, Quiz/ Group discussion and various other competitions to enhance their learning.

**Examination and Evaluation**

Annual and Semester Examination and Evaluation are carried out as per the rules of MG Kashi Vidyapith State University. All exam processes and timetables are communicated to students in advance. Regular conduct of Internal examinations, Assignments, Unit tests, using common schedules has been carried out. This enabled us to classify the students into slow, moderate, and fast learning groups so that we organize remedial classes to the needy students. Our college is made the Examination Center and Nodal Exam Centre by the affiliated State University. The evaluation of the semester and annual examination is done at the evaluation center in the university.

**Research and Development**

The IQAC and Research Committee encourage the faculty and students to do research and share their findings at various seminars and symposia, even though the college is primarily a UG and PG institution. Some of Faculty members are research supervisors actively guiding their research scholars to carry out their doctoral dissertation in due course of time and publish their papers in UGC approved journals. PG students of Arts and Science streams are motivated and guided to qualify the NET/JRF, and register themselves for the Ph.D.

**Library, ICT and Physical Infrastructure / Instrumentation**

Library helps the students to develop good reading and study habits. Libraries provide information and services that are essential for learning and progress. Our college is equipped with Virtual classrooms, which enabled us to take virtual classes to the students across the state. A budget was sanctioned by the state government to increase the improvement of our college. Smart class facility is one of the main features of this government college.

**Human Resource Management**

A cordial staff -management relation exists in the college. The college

follows a well-defined charter of roles and functions for its personnel and staff. College has formed a committee to monitor the effective and efficient management of every person in the institution. Monitoring areas are as follows: 1. Regular academic activities, 2. Co-curricular activities, 3. Financial activities, 4. Developmental activities, 5. Research activities, 6. Sports and extracurricular activities, etc., Faculty, staff, and students are encouraged to participate in self-development activities by the principal. Teachers are encouraged to undertake research, attend seminars/conference/workshop/FDP/RC, etc. and present their papers, participate in any other activity that will help the Institute improve its quality. Human resources are maintained and supported at all levels, including academic, administrative, and financial.

Industry Interaction / Collaboration

Several field-trips were organized to facilitate the students to acquaint and interact with industrial staff and familiarize industrial set-up near the college Chunar. This is aimed to produce skilled globally competent professionals and prepare them for immediate employment. Hence, a good and vibrant industry-institute interaction to promote education and entrepreneurship is required. Academics, research, culture, campus interviews, industrial tours, and other activities are all handled by the institute.

6.2.2 – Implementation of e-governance in areas of operations:

E-governance area	Details
<p>Planning and Development</p>	<p>The College Website is updated regularly. Achievements and activities reports are made available on the website. All the latest information is provided on the Notice display system on the website and notice board in the campus for students and other stakeholders. Being a government college, the college follows all the policies issued by the UP-State Government. As for admission and examination, we follow the university guidelines. Every department strictly follows the academic calendar and</p>

entire work is done according to it.  
Construction work, renovation and purchasing are being done through e-tender process. The procurement process followed by college based upon the rules laid down by Government of Uttar Pradesh in its Financial Handbook requirements, tendering process is initiated by estimating the cost of the items to be procured. The estimates are approved by the competent authority.

Administration

Our college is a UP Government institution headed by Secretary Higher Education and monitored by Directorate Higher Education Uttar Pradesh. All the Faculty members are government employees who are assigned some significant during the General Election by the local administration. They comply with the government orders and directives for the quality education and quality sustenance in the institution. All students follow. All service rules of the college are governed by the U.P. Government. As per the government directive, all the Faculty members and non-teaching staff are registered on Manav Sampada portal and their service book related data have been uploaded and updated time to time.

Finance and Accounts

The receipt of admission fees is completely online. Salary of faculty members and staff is transferred directly to the bank account. Salary bills are submitted to the treasury through IFMS software. E-tender is notified as per the government guidelines for purchase of items. Payment for the work orders is done through PFMS according to government guidelines.

Student Admission and Support

The college has a separate website for online admission and online payment gateway. The admissions of the students were strictly followed as per the rules of the affiliated State University. First of all eligible students apply online on the college website, the merit list is released on the website and on the Notice Board. Students physically appeared in the college for counselling. Every step of the admission i.e., filling the admission form, online submission of fee, issuing of I-card, the whole process is following the online procedure till

examination form.

**Examination**

Faculty members of this college performed their duties as examiner, head examiner, scrutinizer, reviewer, moderator, etc. as and when appointed by the affiliating university. The process of examination, declaration of the schedule, filling up the examination forms, getting admit-cards and declaration of the result are the part of e-governance. The college receives the online nominee roll list from the university portal with a login password. The marks of practical examinations are sent to the university by the registered post. The evaluation of the semester and annual examination is done at the evaluation center in the university.

**6.4 – Financial Management and Resource Mobilization**

6.4.1 – Institution conducts internal and external financial audits regularly (with in 100 words each)

As per the norms set by the Government of Uttar Pradesh, the college is practicing the conduct of Internal as well as external financial Audits. Internal Audit: For all purchases, the college has a Purchase Committee. In the month of March, the Principal appoints a three-member committee for each Department (one from the same department and two from another department) for annual verification of stock register. The committee verifies the entry of each item and its bill in the stock register and the balance of stock check (both non-consumable and consumable) is also done. The verification committee writes its report on the last page of the register that "All the items purchased during the year have been entered in the stock book and the balance items are physically present." The aforesaid report is then countersigned by the

principal. The purchase committee of the college is responsible for all the items purchased in the college. All the quotations/tenders are opened in the presence of at least five members. All the members sign on the "envelops" and the "quotations/tenders" mentioning "opened before us." The comparative table indicating the prices of different items quoted by vendors is further signed by members of the purchase committee. The lowest rate quoted by vendors is encircled by red ink and preferred by the committee. Likewise, the bills of each firm are also signed by in-charge of Department before being presented for payment. Grants received and used by the college from other sources (Central Govt. / State Govt.) are audited firstly by Chartered Accountant. Grants relating to RUSA are monitored by RUSA committee and from UGC by the UGC Committee. External Audit: Regional auditor of State Government conducts auditing of accounts every year. Audit team from the Directorate of Higher Education U.P. visits occasionally to perform sample auditing. Audit party from auditor general (Central, Allahabad) visits the college regularly and conducts sample auditing.

### 7.3 – Institutional Distinctiveness

7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

At SSSVS Govt. PG College, one area that stands out as distinctive to our vision, priority, and thrust is our commitment to promoting sustainable practices and environmental consciousness. As a rural college situated amidst the beauty of nature, we understand the significance of preserving the environment for future generations. 1. Green Campus Initiatives: We have undertaken various green campus initiatives to reduce our ecological footprint. Our college campus is adorned with lush greenery, and we actively promote tree plantation drives to enhance the green cover. Additionally, we implement energy-efficient practices and encourage the use of renewable energy sources to minimize our carbon emissions. 2. Waste Management and Recycling: To address waste management challenges, we have established a robust waste segregation system on campus. We promote recycling of paper, plastic, and other recyclable materials, aiming to achieve zero-waste targets. Through awareness campaigns, we sensitize students and staff about the importance of waste reduction and recycling. 3. Eco-friendly Events and Celebrations: During cultural festivals and events, we emphasize eco-friendly celebrations. We avoid the use of single-use plastics and encourage the use of biodegradable materials for decorations and food packaging. This ensures that our celebrations align with our commitment to environmental sustainability. 4. Biodiversity Conservation: Recognizing the significance of biodiversity, we have designated certain areas on campus as biodiversity zones. We undertake efforts to conserve local flora and fauna, providing a safe haven for various plant and animal species. Moreover, we organize awareness programs to highlight the importance of biodiversity conservation. 5. Environmental Education and Research: To foster a deep understanding of environmental issues, we integrate environmental education into our curriculum. Our students actively engage in research projects related to environmental conservation, contributing to our collective knowledge of sustainable practices. 6. Water Conservation Measures: As water is a precious resource, we have implemented water conservation measures on campus. Rainwater harvesting systems and water recycling techniques help us utilize water efficiently and reduce wastage. 7. Community Engagement: We actively engage with the local community to promote environmental awareness and sustainable practices beyond the college campus. Through workshops, awareness campaigns, and collaborative projects, we strive to create a positive impact on the surrounding environment. By embracing sustainable practices and promoting environmental consciousness, SSSVS Govt. PG College aims to become a model institution for eco-friendly initiatives in the region. We are committed to instilling a sense of environmental responsibility in our students, empowering them to become eco-conscious leaders and advocates for a greener and more sustainable future.

## 8.Future Plans of Actions for Next Academic Year

In preparation for the upcoming academic year, our institution has outlined a comprehensive set of plans aimed at enhancing the overall educational experience for both students and faculty members.

- **Expanding Course Offerings:** One of our foremost priorities is to introduce a diverse range of new courses that cater to emerging trends and demands in various fields.
- **Promoting Awareness Through Seminars:** Recognizing the importance of broadening our horizon about contemporary issues and engage in meaningful discussions, we plan to organize a series of online and offline seminars on pertinent subject.
- **Faculty Development:** We will encourage and support our faculty members in updating their knowledge and skills through workshops, conferences, and professional development programs.
- **Empowering Students Safety:** In the pursuit of creating a secure environment, we are dedicated to provide self-defence training to our students.
- **Heritage Conservation and Community Engagement:** We intend to involve our students in initiatives aimed at heritage conservation, which would instil a sense of responsibility and pride in our students while contributing positively to society.
- **Practical Learning with Mock Courses:** To bridge the gap between theoretical knowledge and real-world application, we plan to organize hands-on-sessions, lectures and workshops centred around mock courses.
- **Enhancing Career Opportunities:** We are committed to facilitate job placement of our students by collaborating with industry partners and organizing recruitment events.
- **Inculcating Values Through Education:** To nurture responsible citizens, we will integrate moral and ethical education into our curriculum, fostering character development alongside intellectual growth.
- **Sensitizing Youth to Rural Development:** Acknowledging the importance of rural development, our focus will be to organize field visits, workshops, and interactive sessions.
- **Excellence in Academics:** Through rigorous curriculum design, research initiatives, and collaboration with esteemed institutions, we endeavour to provide an environment that fosters critical thinking, innovation, and scholarly pursuits.
- **To update and enlarge the area of wi-fi connectivity.**
- **Initiation of Library Automation related work under RUSA.**
- **Science Lab updating.**
- **Proposal to introduce Mahila Adhyayan Cell as per the guidelines of the University and adopt a village, for the development of women and children.**
- **Proposal to introduce mechanism for ICT enabled smart Classes.**
