## **ACTION TAKEN REPORT (DEPARTMENT-WISE) ON CURRICULUM FEEDBACK OBTAINED FROM STUDENTS**

The College considers the curriculum as the heart of education and finds it important to assess the feedback from its stakeholders, especially the students of the college. This feedback is in the form of an annual Student Satisfaction Survey which is conducted by every department. Feedback was taken from UG and PG students of the college. The department-wise details of the feedback and the action taken for the year 2024-25 are as follows:

### **Department of Physics**

**Student remarks-** Students in their feedback point out lack of number of faculties in the department. Students responded positively regarding online classes, teaching-learning material and practical classes.

**Action taken-** All the posts in the departments are filled. Action has been taken for the creation of new posts in the department.

### **Department of Mathematics**

**Student remarks-** Students in their feedback highlighted the need for an increase in number of teachers and presence of the facility of a departmental library.

**Action taken-** All the posts in the department are filled. Action has been taken for the creation of new posts in the department. Regarding departmental library it has been decided that a departmental library be developed along with enhancing the teacher-student involvement through the teachers sharing teaching-learning materials and books to students.

### **Department of Zoology**

**Student remarks-** Students of the department pin-pointed three major lacunas that need immediate attention and resolution, the first one being insufficient number of teachers in the department. Further, the lack of departmental library and lack of basic practical equipment and practical classes were also highlighted as areas that need improvement in the department.

**Action taken-** All the posts in the departments are filled. Action has been taken for the creation of new posts in the department. Regarding departmental library it has been decided that a departmental library be developed along with enhancing the teacher-student involvement through the teachers sharing teaching-learning materials and books to students. Further, to regularize practical classes, basic instruments have been arranged in the department.

### **Department of Botany**

**Student remarks** - Analysis of the feedback shows that all the domains have been rated by the students to be excellent but it also highlights some major areas that need improvement viz. lack of sufficient number of teachers, lack of departmental library, practical classes and basic practical equipments.

**Action taken-** All the posts in the departments are filled. Action has been taken for the creation of new posts in the department. All the posts in the departments are filled. Action has been taken for the creation of new posts in the department. Regarding departmental library it has been decided that a departmental library be developed along with enhancing the teacher-student involvement through the teachers sharing teaching-learning materials and books to students. Further, to regularize practical classes, basic instruments have been arranged in the department.

### **Department of Chemistry**

**Student remarks**– Students responded with very positive remarks for all the questions that were asked. However, insufficient number of teachers, lack of departmental library, lack of some basic practical equipment and regular practical classes were pin-pointed as some major areas of concern in the department.

**Action taken-** All the posts in the departments are filled. Action has been taken for the creation of new posts in the department. All the posts in the departments are filled. Action has been taken for the creation of new posts in the department. Regarding departmental library it has been decided that a departmental library be developed along with enhancing the teacher-student involvement through the teachers sharing teaching-learning materials and books to students. Further, to regularize practical classes, basic instruments have been arranged in the department.

### **Department of Political science**

**Student feedback-** Assessment of student feedback clearly indicated that the students were satisfied with the teachers at approximately all parameters. However, they wanted an increase in the number of teachers in the department.

**Action Taken-** All the posts in the departments are filled. Action has been taken for the creation of new posts in the department.

### **Department of Sociology-**

**Student feedback-** The students of the department of sociology have highlighted two major points that call for attention viz. the need of departmental library and identification of academically weak

students and its remediation. In addition to this, students also highlight lack of sufficient number of teachers in the department.

**Action taken-** To address the lacuna related to identification of academically weak students and its remediation, it was decided that the number of remedial classes engaged by the teachers per week be increased.

### **Department of Economics**

**Student feedback-** Students appeared to be highly satisfied with the teachers and department on various aspects but their feedback evaluation brought forward one area of concern which was related to establishment of a departmental library.

**Action taken-** Departmental meeting concluded that to improve teaching-learning standards there is a need to develop departmental library facility. To achieve this, the infrastructural hurdles need to be addressed.

### **Department of English**

**Student feedback-** Students gave positive remarks on various aspects. However, they felt the need for a departmental library for enhancing teaching-learning standards.

**Action taken-** Departmental meeting concluded that to improve teaching-learning standards, there is a need to develop the facility of a departmental library. To achieve this, the infrastructural hurdles need to be addressed.

### **Department of Commerce**

**Student feedback-** Analysis of the student feedback shows that all the domains have been rated by the students to be excellent but lack of departmental library has again been indicated as a matter of concern.

**Action taken-** Based on the student feedback response it has been decided that a departmental library be maintained in the department.

### **Department of Sanskrit**

**Student feedback-** Assessment of student's feedback depicts that the teachers excellently prepared for class, have effective communication strategies and use appropriate teaching method for effective teaching. Teachers always provide teaching learning material through WhatsApp group and take online classes whenever required.
